EDUCATING
Today's Youth for Tomorrow's World

Marysville Joint Unified School District Education Foundation

Vision Statement:

To build and maintain a sustainable tradition of friends and community supporters with the expectation all children in our community will have the opportunity to reach their full potential.

Mission Statement:

Each child's educational program will be balanced and reflective of academic, character, and career technical excellence supplemented with experience and knowledge in athletics, fine arts, and leadership.

Dear Friends of MJUSD:

I am proud to announce the formation of an Education Foundation which will directly benefit the students of the Marysville Joint Unified School District. Our goal is to raise funds to fill the continual gap between state support and the amount needed to provide a full-service education for our students.

As you know, the financial picture for education is looking rather bleak these days. By having the support of our community, we will be able to provide funding to classroom teachers and school sites for specific activities and/or projects. Each fall, the staff will be encouraged to submit proposals for funds that meet the Foundation's vision, mission, and goals.

Thank you in advance for supporting our Education Foundation. Keep in mind that all contributions are tax deductible, as provided by U.S. and California law.

Please take a moment to consider how you can make a difference—remember, it's your future too. If you would like to help with any of the upcoming campaigns, please give me a call at (530) 749-6102.

Sincerely,

Gay Todd
